COMMENTS BEFORE ISSUANCE

Sir:

Applicants would like it noted that on July 1, 2003, Applicants submitted via hand-delivery an Information Disclosure Statement for consideration in the present Application. While Applicants received back the Return Postcard, date-stamped by the USPTO in acknowledgement of their receipt of the Information Disclosure Statement, Applicants did not receive the 1449 Form initialed by the Examiner, or any document indicating that the Information Disclosure Statement has been entered in this Application.

Applicants attempted to contact Examiner Thien Le on June 11, 2004, prior to payment of the issue fee, and have yet to receive a response. Applicants respectfully request that the Information Disclosure Statement be entered in this Application prior to payment of the issue fee, and that the 1449 Form initialed by the Examiner be returned to Applicants in confirmation thereof.

Applicants also point out that the Part B – Issue Fee Transmittal document reflect an incorrect Title to Invention and respectfully request that this document be corrected in accordance to the Amendment to the Title to Invention filed on March 5, 2003, wherein the Title was amended to read as follows:

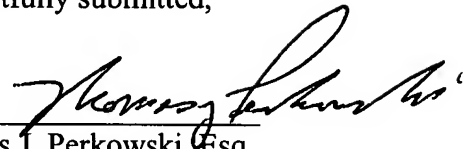

--BIOPTICAL POINT-OF-SALE (POS) SCANNING SYSTEM EMPLOYING DUAL
POLYGON-BASED LASER SCANNING PLATFORMS DISPOSED BENEATH
HORIZONTAL AND VERTICAL SCANNING WINDOWS FOR 360° OF OMNI-
DIRECTIONAL BAR CODE SCANNING.
